CORRECTIONS IN DEPARTMENT REGULATIONS

To correct an error in placing regulations 2531, 2532, and 2541 on the same page of the Department Regulations and to correct a typographical error in regulation 2541, two separate pages (one containing regulations 2531 and 2532 and the other regulation 2541) have been issued and distributed to employees who have copies of the Regulations. These pages take the place of the single page that was issued when Amendment 97, dated March 13, 1940, was promulgated.

POLITICAL ACTIVITY BY DEPARTMENT EMPLOYEES

Reference is made to the notice regarding Personnel Circular No. 84, dated January 16, 1940, dealing with political activity, which appeared on page 40 of Service and Regulatory Announcements for March 1940. A number of interpretations of the restrictions on political activity, imposed by the Hatch Act and

various emergency relief acts, have been issued and copies have been sent to each field station of the Bureau where they will be available to any employee who desires to refer to them. Included are opinions rendered by the Solicitor of the Department of Agriculture, decisions of the Comptroller General, rulings of the Civil Service Commission, and circulars issued by the Attorney General of the United States.
